Buttercups Curricula goals

Through the activities we plan and our environment, we aim to support every child to be developing these skills by the time they leave pre-school.

To use scissors effectively for an intended purpose.

To develop a strong grounding in numeracy, including patterns and shapes.

To re-tell a story or past event using fluent spoken language.

To be able to prepare their own snack and have an awareness of being healthy.

To follow a sequence such as a recipe for making playdough.
